2. As you will note, there are some minor misspellings or misrenderings of the name of the prison ("Hao Lo" instead of the correct "Ha Lo" and "Hai Be Trung" Street instead of "Hai Ba Trung"). I do not know at what point in the processing chain these small errors crept in, but they do not alter the content or substance of the information relayed.

3. I am sending a copy of this memorandum and its attachment to General Manor.
